Admin can give the access of both application or any one application of the user.

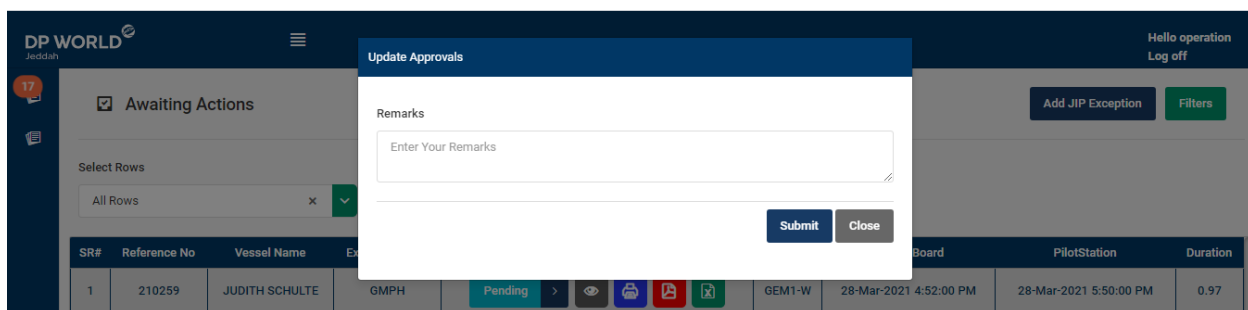

Stages for JIP

ROLES	STAGES
Operation User	1
Operation Approver	2
Study Committee	3
Steering Committee	4

Operation User: In JIP application operation user add the exception. Once exception is added then the exception adds in the awaiting list then operation user submits the exception.

If exception submitted successfully then the exception adds in the JIP EXCEPTION STATUS and then stage goes on the 2nd stage which is operation approver.

SR#	Reference No	Vessel Name	Exception Type	Action	Service	PilotOnBoard	PilotStation	Duration
1	210259	JUDITH SCHULTE	GMPH	Pending >    	GEM1-W	28-Mar-2021 4:52:00 PM	28-Mar-2021 5:50:00 PM	0.97

Operation Approver: All the exception adds in the awaiting list when operation user submits the exception

Operation approver have access of approve/deny/required more information if the operation approver approve the exception then the exception goes on the 3rd stage which is study committee and the remarks is optional.

If the operation approver deny/required more information, then the exception goes on the 1st stage which is operation user and the remarks is mandatory.

SR#	Reference No	Vessel Name	Exception Type	Stage	Status	Action	Service	Created By	Updated By	Created At	Updated At	PilotOnBoard	PilotStation
1	210259	JUDITH SCHULTE	GMPH	Operation Approver	Pending >    	GEM1-W	operation	operation	operation	24-May-2021 1:32:02 PM	25-May-2021 11:06:01 AM	28-Mar-2021 4:52:00 PM	28-Mar-2021 5:50:00 PM
